RE: Collective Negotiations

Mayor Fox:

It is troubling to say the least that you have ignored my communication to you of July 15, 2024. We have continually attempted to engage the Borough in good faith negotiations for a Successor Agreement which will be mutually beneficial to both parties. The lack of response from you is both disrespectful and just poor labor relations.

We remain available to negotiate on behalf of the Borough's hard-working and dedicated employees.

Very truly yours,
